The Tomorrow Fund is United Way’s legacy fund, supporting Calgarians to build powerful legacies that reflect their values and vision for the future. Gifts to the Tomorrow Fund are invested for the long term, and the interest earned pays dividends in the form of community investments in local programs. Annual distributions from the Tomorrow Fund support programs and initiatives that help individuals achieve financial stability, support early childhood development, and connect seniors to their communities. In 2021, the Tomorrow Fund distributed $3,945,607 to the community.

If you or someone you know is interested in learning more about United Way’s Tomorrow Fund, please email Planned.Giving@calgaryunitedway.org
As I reflect on the past year and enter my second year as Chair of the Tomorrow Fund Committee, what has struck me the most is the drive and passion of United Way staff, as well as our community leaders.

With another challenging year faced by many Calgarians, there is so much for us to be proud of. In true Calgary fashion, we continue to come together to ensure that our friends and neighbours are supported through the Tomorrow Fund. Our Tomorrow Fund continues to play a vital role in providing stability to support long-term solutions to the complex issues our communities face.

Last year, the Tomorrow Fund distributed $3,945,607 to support local people who were struggling across our city. Because of this generosity and support, we were able to make the lives of thousands of Calgarians a little bit better.

As Tomorrow Fund donors and participants, you are part of an extraordinary group of forward-thinking philanthropists who share a vision of a brighter future for our city's next generations. On behalf of the committee and United Way, I would like to express my gratitude to everyone demonstrating their commitment to supporting our community. Thank you for investing today, for a brighter tomorrow.

- Robi Contrada
  Managing Director
  BMO Capital Markets

Legacy contributions to the Tomorrow Fund create a bright future for the next generation of Calgarians, ensuring they have the resources and means to build a resilient and caring community where everyone thrives. Legacy gifts are an extraordinary way to ensure our memory and values live on and make a profound difference in the lives of future generations. These names celebrate past, present, and future legacies of Calgarians through their contributions to the Tomorrow Fund.
