

## **BOARD POLICY RAISING CONCERNS INCLUDING FINANCIAL STEWARDSHIP**

### **Policy Management Responsibility**

Vice President Finance

Oversight by the Finance Audit and Technology Committee

Approval by Board

### **PURPOSE AND SCOPE**

This Policy is focused on the need to maintain integrity in the financial affairs, controls and reporting of the UWCA (United Way Calgary and Area). The leading role that UWCA plays in society demands that it maintain a scrupulous commitment to ethical practices and good management. Accordingly, it requires all persons working with the UWCA, in whatever capacity, to observe ambitious standards of business and personal ethics in the conduct of their duties and responsibilities. All such persons must practice honesty and integrity in fulfilling their responsibilities and strive to comply with all applicable laws and regulations.

While this Policy is aimed at reporting errors, omissions or fraud relating to financial matters, concerned parties may, if they have not gained satisfaction in reporting other similar issues, avail themselves of this Policy.

This Policy aims to provide an avenue for Associates to raise concerns confidentially or anonymously in good faith, with the assurance that they will be protected from reprisals or victimization.

The Committee has a responsibility to endeavour to ensure that UWCA responds appropriately to Complaints that allege:

- improper usage of UWCA assets and resources through fraudulent or dishonest conduct;
- inappropriate actions and relationships that could reduce the effectiveness of financial controls;
- illegal, unethical, or questionable practices that adversely affect, or may adversely affect, the financial assets of the UWCA.

The procedures in this Policy are designed to ensure that reported Complaints are investigated, and result in action appropriate to each case, including the possibility of censure, and civil or criminal procedures.

This Policy applies to all UWCA Associates.
